

# HITARTH PATEL

## WEB DEVELOPER , GRAPHIC DESIGNER

GitHub  
WebSite

Sarvopari Elegance, New Ranip  
Near Indraprasth, Ahmedabad  
Gujarat, India

### SUMMARY

I'm a passionate Web Developer and Graphic Designer who loves creating clean, modern, and user-friendly designs. I work with Django, HTML, CSS, and JavaScript to build responsive websites, and use Photoshop, After Effects, and Premiere Pro to design and edit visuals that stand out. I focus on quality, creativity, and delivering projects that look great and work smoothly.

### TECHNICAL SKILLS
